AWARDS

Flagship was excited to be nominated for Best Employer at the Bristol Life Awards this month. It was a brilliant evening and we felt lucky to be part of such a fantastic event. A great night celebrating all the hard work that goes into making us a great place to work!

FAREWELL STEVE

After seven great years with us at Flagship Consulting, Steve Halliday is heading off on his own exciting journey. While we'll miss having him around, we're proud to have been part of his career and wish him nothing but success in what's next!

At Flagship we're all about creating a place where people can grow, develop and be part of a great team. Steve is a perfect example of that, and we're grateful for everything he's contributed over the years.

ROUNDUP!

Team highlights: A huge congratulations to our Employees of the Month, who each received a £100 restaurant voucher of their choice, well deserved! On a bittersweet note we said goodbye to our favourite Scottish legend Steve. He'll be greatly missed, but we wish him all the best on his next adventure!

Community Impact: We've been continuing our monthly foodbank drop-offs, doing our part to support those in need. Our very own Ruby is taking part in the Bristol Half Marathon for UCLH Charity.

Social Highlights: Our monthly First Friday socials have been a hit! From batting cages to bowling, these events have been a great way to bring the team together, unwind, and enjoy some friendly competition outside of work.

Recognition: We're absolutely thrilled to have been nominated for Best Employer at the Bristol Life Awards 2025! Creating a fantastic work environment has always been a priority for us, and this recognition is a testament to our commitment to making Flagship a great place to be.

It's been an incredible first quarter celebrating our team's achievements, strengthening our social culture and even getting recognised for the work environment we've built.

EMPLOYEE OF THE QUARTER

Big congratulations to Jake Ricardo, our fantastic Delivery Consultant for being named Employee of the Quarter!

Jake has only been with Flagship Consulting for six months but in that short time he's made a huge impact. His hard work, energy and outstanding results have set him apart and this recognition is well deserved!

At Flagship we love celebrating success and Jake is a great example of the talent and dedication that makes our team so strong. We can't wait to see what he achieves next!

Q1 MEET-UP 2025

We had an absolute blast on our team day out! The day started with a quick company roundup, where we looked back on the past quarter and celebrated our wins.

After that we got stuck into a Mexican cooking class. We worked together to create a big feast. Once the food was ready we sat down to enjoy our hard work before heading out for drinks and karaoke.

It was the perfect mix of teamwork, friendly competition and a lot of fun. Whether it was battling it out in the kitchen, playing pool, or belting out questionable song choices, the day was a great reminder of what makes our team so great. Here's to more days like this!

REVIEWS

"I would highly recommend Flagship Consulting. They helped me secure my new role, ensuring that I was always kept up to date on progress and even just checking in to see how I was feeling knowing I'd been in my last role a long time and this was a big step for me. Can't thank Niall Collins enough for all of his support"

"I can't recommend Tom and Jake at Flagship Consulting highly enough. Making the transition from law to construction was a big step, but their support made the process incredibly smooth. From the very start, they were attentive, proactive, and genuinely invested in my success.

Their weekly check-ins ensured I was always up to date, and they were always on hand to answer any questions, no matter how big or small. What could have been a stressful process was made easy to navigate thanks to their expertise and dedication.

If you're looking for recruiters who truly care and go above and beyond, Tom and Jake are the ones to speak to. Thanks again for all your help!"

"Charlie was my recruiter when I first got to London. Within days of reaching out he was able to match me with a company that excellently matched my experience! He was friendly, approachable, responsive, checking in after each stage of the interview and as I settled into the new job. He was also knowledgeable about what companies were looking for in a country I was new to interviewing in, which was a big bonus. I would highly recommend Charlie to anyone looking for a job! "
