ANNIVERSARIES

This quarter, we're proud to celebrate two special work anniversaries within the team. Jess our Business Operations and Marketing Manager has been with Flagship for three years. Nella our Associate Director marks her two year anniversary with Flagship and continues to be a driving force.

As a small token of appreciation, both Jess and Nella received a bundle of beers! Cheers to their hard work and the impact they make every day. Congratulations to both!

ROUNDUP!

Charity

In May Ruby proudly completed the Bristol Half Marathon in support of UCLH Charity, raising an incredible amount for a great cause. Well done Ruby!

Staying Active

We're thrilled to see more colleagues joining our Running/Gym Club! To support staff in staying active and healthy, we offer an early finish every Monday or Tuesday. It's fantastic to see the enthusiasm and growing participation! We're also introducing new initiatives to continue supporting our team with enhanced health benefits!

A Well Deserved Treat

Our managers finally got to enjoy their Christmas gift, a delicious afternoon at Pasture on us! This was a heartfelt thank you for their incredible support and hard work throughout last year.

INCENTIVES

YULIFE

Yulife is a new wellness platform designed to motivate and reward healthy habits. By Flagship engaging in daily activities like walking, meditation, or cycling, We earn YuCoins which can be redeemed for real vouchers. Great way for Flagship to stay active and have some friendly competition!

PEER TO PEER

We're also launching a Peer-to-Peer reward scheme. Every team member will have the opportunity to award a £50 voucher to a colleague they believe has done an outstanding job. This doesn't have to be billing related, it can be for anything from teamwork and innovation to support and positivity. Vouchers can be awarded anytime during the next quarter.

Q1 MEET-UP 2025

For our Q2 meet-up the Flagship team got together for a summer party with a twist! We kicked things off by heading to a local charity shop, not to shop for ourselves but to pick out outfits for each other. The results ranged from surprisingly stylish to absolutely ridiculous.

Dressed in our new attire we set out on a pub crawl that took us through a few favourite spots. There were plenty of laughs along the way and some confused looks from strangers.

We stopped for some excellent burgers and there was no shortage of pints and laughs throughout the day/night. All in all a brilliant way to wrap up the quarter and welcome the summer!

EMPLOYEE OF THE QUARTER

A big congratulations to Charlie Evans, our Employee of the Quarter!

Charlie's had a standout few months with some seriously impressive billing and consistently strong stats across the board. Beyond the numbers, he's shown what being a great recruiter looks like, he's built strong lasting relationships and always goes the extra mile to support both clients and candidates

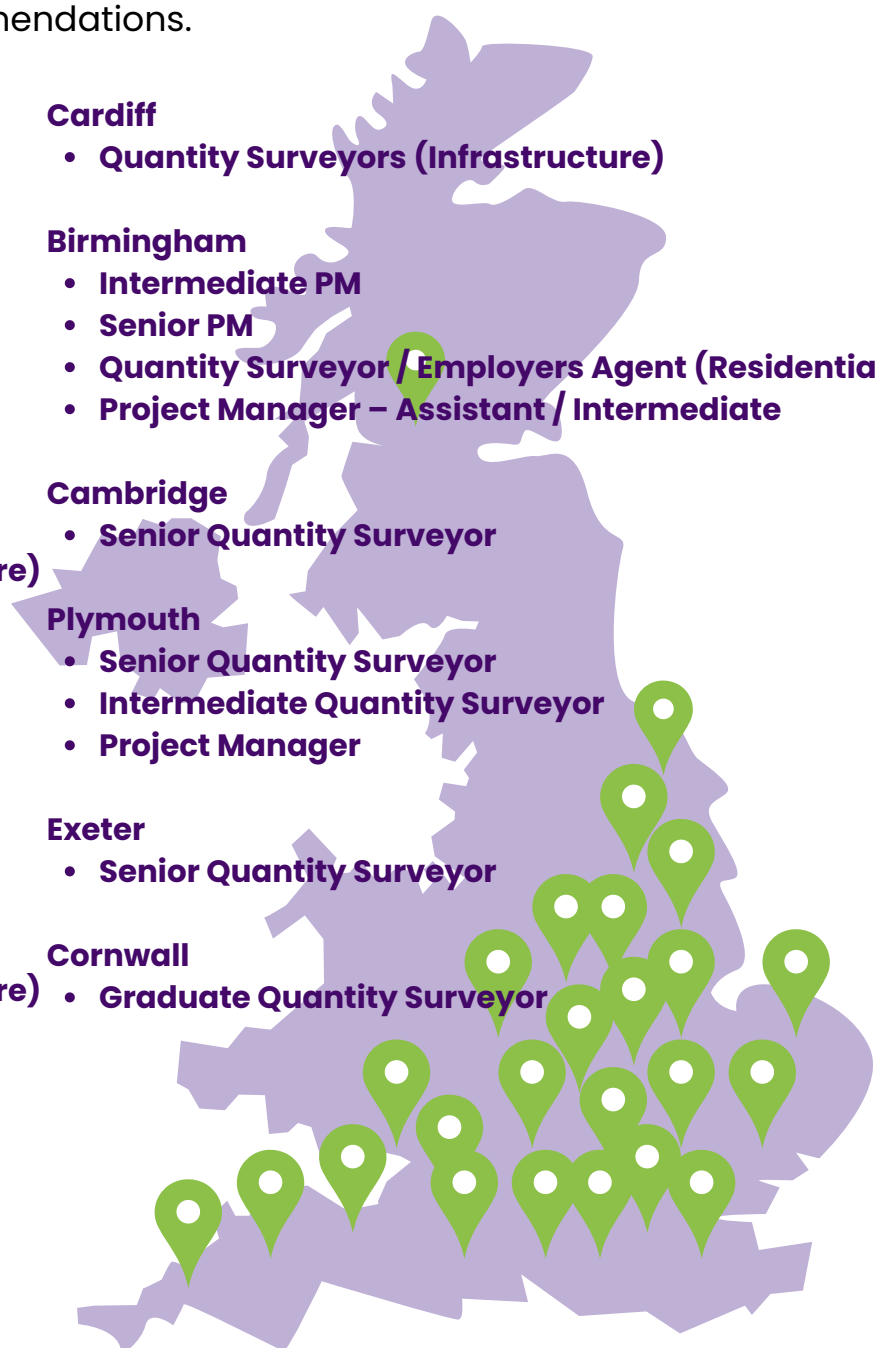

Well done Charlie! A well earned recognition and a great example of the standard we aim for.

REVIEWS

"Highly recommend this recruitment service. They have been brilliant to deal with, always keeping in touch throughout the process. Aaron Fry has been an amazing help and support throughout the process and I highly recommend. I have had the unfortunate experience of coming across some bad recruiters in my time, but Flagship I can honestly say have been great to deal with"

"I've had the pleasure of staying in touch with Niall Collins for the past six years, and his approach has always been exceptional. I would highly recommend Niall and Flagship to anyone exploring their next career move—they truly have their candidates' best interests at heart"

"Nella was very engaging and helpful throughout the whole process. A very good line of communication with setting up interviews, feedback, and areas that could assist in securing a new role. Nella put a huge amount of effort while I was applying for roles. I never needed to chase and was always aware of how much progress I was making. Supportive and professional!"

"Charlie was my recruiter when I first got to London. Within days of reaching out he was able to match me with a company that excellently matched my experience! He was friendly, approachable, responsive, checking in after each stage of the interview and as I settled into the new job"

"Jake has been so helpful since our first interaction when I reached out to him for some career advice. He found me four brilliant companies that were keen to interview me within a week and a week later he had placed me in a fantastic role. These guys really went above and beyond what I had expected. I wouldn't hesitate to recommend them to anyone who is looking for a new role, or just some advice"
